

TESTIMONIALS

“It has been so easy to deal with Avgen's Gift Card Program! We have been involved with this fundraising program for a few years now and we have been able to raise thousands of dollars. Our school is in New Brunswick and we place our order on Mondays and usually receive our cards on Wednesday via Purolator. There are many gift cards to choose from and our families enjoy the variety and efficient delivery.”

“Your program has helped our school so much. Through the cooperation of parents and supporters, Avgen has turned out to be one of our major fundraising efforts of the year. Through your program alone, we have been able to raise a substantial portion of the funds necessary to run our school on a day to day basis. Avgen is truly a blessing! Thank you for all the work that you do to make this fundraiser possible. We truly appreciate all your efforts and hope that you have a wonderful summer! We look forward to working with you again in the fall as we anticipate that Avgen will play an even larger role in our fundraising efforts! Thanks again!”
